LU-VE Group Listed in the Milan MTA Market

On June 21, 2017, LU-VE announced that LU-VE Group has been listed in the Milan MTA market.

LU-VE President Iginio Liberali (center) sounded the bell of the Milan MTA market

President Iginio Liberali said, "LU-VE is a lucky venture. I have been dreaming, thinking, and working on this since 1986. Since then we evolved into a 'pocket multinational company'. The move to the MTA market will be a further boost to provide a higher added value to customers using our machines and components. Again I would like to thank all the women and men of LU-VE Group who have made all this possible."
