

## **RAC 2005 BIRMINGHAM**

LU-VE products were exhibited at various stands at the British Refrigeration and Air Conditioning Exhibition – RAC 2005 took place in Birmingham on the 1<sup>st</sup>-3<sup>rd</sup> March.

LU-VE's new Industrial CHS cooler along with a selection of the commercial cooler range and the new EHV condenser were shown on the Hubbard Commercial Products stand.

LU-VE Contardo UK-EIRE office sponsored the main prize of two F1 GP tickets to go to the British F1 GP in July; the prize was for the fastest lap time made by a contractor in the Hawco F1 simulator.

Also at RAC 2005, United Refrigeration featured a selection of commercial unit coolers including some STVF tubeless condensers.

RAC 2005 recorded about 180 exhibiting companies and more than 5,000 visitors.
